Blind Date with a Book Teens & Adults

Take a chance on a Blind Date With a Book! You never know what you might fall in love with! Books are wrapped in brown paper with just a few words printed on the cover acting as clues about what's inside. You won't know the title or the author, so no judging these books by their cover! Rate and review your book to enter a drawing for a prize. This event runs through the month of February.

Black History Month Scavenger Hunt

Lydia, the Del Mar Library's Youth Services Librarian, has created another fun and educational scavenger hunt! Can you find all nine figures from African American history hidden in the library? Come do our scavenger hunt, any time during February, learn about historical figures old and new, and win a prize!

Have fun creating an abstract painting to transform into unique note cards. This workshop will be conducted by Gracie, a local artist and popular crafts instructor. Space is limited, registration required. All materials will be provided.
