### Just in Time for the Holidays - New Books!

Santa Claus came early this year, thanks to the Friends Express committee of the Friends of the Del Mar Library. The first order of Adult and Children's books in 18 months is available now!

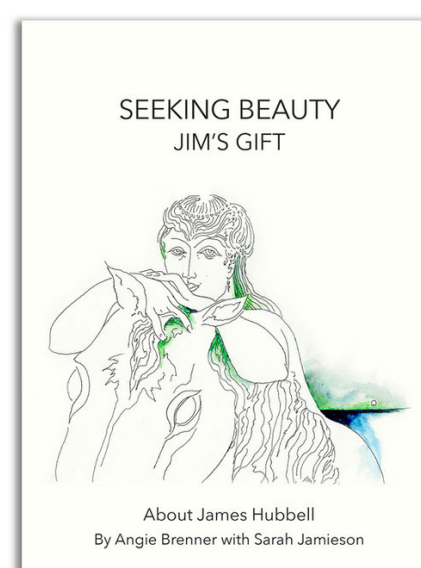

New Friends Express books are exclusive to Del Mar Library patrons for a limited time before being put into the general San Diego County Library catalog. FDML-funded Friends Express provides great value to the local community, since most new books hit the SDCL catalog with dozens of holds for a limited number of copies.

### Author Talk December 16 at 2 p.m.

Join us for Del Mar Library's first in-person event of the year, on December 16 at 2:00 - 3:00 p.m. This Author Talk features Angie Brenner discussing her new book, covering the life of artist James T. Hubbell and the foundation he and his wife Anne created. A recipient of San Diego's Peacemaker Award in 2019 for his Pacific Rim Parks, James Hubbell will not be in attendance. No registration required.

You can see Hubbell's bronze casting "A River of Time" in front of the library.
